Join the revolution of modern living. Join Atenea Living.

Welcome to the epicentre of innovation and collaboration.

Atenea Living is much more than just a student residence or a space for professionals; it is the place where creativity, coworking and the modern lifestyle converge. Here young entrepreneurs, digital nomads and corporate innovators find their perfect home.

01 top facilities

we have an environment designed to enhance your performance and well-being.

03 strategic location

strategically located, next to the sea, 1 minute from the Tecnocampus business centre and the vibrant centre of Mataró, it connects you to the city without sacrificing peace and quiet. And less than 30 minutes from Barcelona.

05 gastronomy

our kitchen team is dedicated to providing an exceptional culinary experience: centered on nutrition and focused on health, we offer complete catering services for our clients

02 comfortable accommodation

spacious and comfortable single and double rooms with all the necessary amenities for you to carry out your activities.

04 workspace

We offer high-speed Wi-Fi to ensure uninterrupted work, meeting rooms for your convenience, as well as peaceful common areas and a fantastic café.

06 sustainability

At Atenea Living, the accommodation experience takes place in facilities committed to the environment. To achieve this, we have constructed our building following the guidelines of the LEED certification program
