

A place especially designed for you

In our residence, we understand the importance of providing a welcoming and functional environment for sports teams seeking not just a place to stay, but a comprehensive experience that enhances their performance and well-being.

Sea views

Your best choice for sports groups

We take pride in being the preferred choice for sports teams: at Atenea Living, not only can you work on athletic performance, but you can also live in a community, sharing a wonderful communal and social atmosphere that encourages interaction among athletes. Make your stay an unforgettable experience at Atenea Living, we look forward to welcoming you!

01 top facilities

We have high-quality facilities designed with the specific needs of sports teams in mind.

03 strategic location

Strategically located, offering easy access to local sports facilities, competition centers, and tourist attractions, just 30 minutes from the center of Barcelona.

02 comfortable accommodation

Spacious and comfortable single and double rooms for athletes to recover after training

04 gastronomy

Our kitchen team is committed to providing an exceptional culinary experience, focused on nutrition and tailored to the specific needs of athletes: customized menus, flexible schedules, and a health-oriented approach
