

A place especially designed for you.

In our residence, we understand the importance of providing a welcoming and functional environment for student groups seeking not just a place to stay, but a comprehensive experience that enhances the communal and social atmosphere by encouraging interaction among them.

A unique experience

In our residence, we take pride in being the preferred choice for student groups. Our fantastic location and youth-oriented facilities make the experience of spending time together in a group truly memorable. Make your stay an unforgettable experience at Atenea Living; we look forward to welcoming you!

01 top facilities

We have high-quality facilities designed with the specific needs of student groups in mind.

02 comfortable accommodation

Spacious (single and double) and comfortable rooms for students to rest in a comfortable and relaxed manner.

03 strategic location

Strategically located, offering easy access to the beach, sports centers, and tourist attractions, just 30 minutes from the center of Barcelona.

04 gastronomy

Our kitchen team is committed to providing an exceptional culinary experience, focused on nutrition and health: personalized menus, flexible schedules.
